

COMMUNICATION DISORDERS
(CMDS)
UNDERGRADUATE ROTATION OF COURSES

Upon admission to the CMDS major, students are assigned a strict schedule of what courses to take and when. It is imperative that summer-admitted students and fall-admitted students stay on their assigned track. That said, **the generic rotation of undergraduate course offerings is shown below (this is followed annually unless a curriculum change is officially approved).** Majors should regularly consult with their departmental advisor.

Fall	Spring	Summer
3000 Intro Sp & A	3400 Anatomy	3000 Intro Sp & Audio
3400 Anatomy	4510 Articulation	3410 Phonetics
3410 Phonetics	4520 Lang. Acquisition	35550 Sp & Hrg Science
3550 Sp & Hrg Science	4530 Fluency	4540 Voice Dis.
4510 Articulation	4540 Voice Dis.	4580 Intro Sp Clinic
4520 Lang Acquisition	4560 Lang Did	4650 Intro Audio Clinic
4530 Fluency	4580 Intro Sp Clinic	4910 Practicum
4560 Lang Dis	4620 Aural Rehab	-
4580 Intro Sp Clinic	4650 Intro Audio Clinic	-
4600 Intro Audio	4910 Practicum	-
